Howler - Sarawati
rough bark notes in
the same tone as the roars

The noise starts in much
in the same tone as the
Sarawati but the roar
is louder, & is not sustained
being broken very soon with
modulated notes that make
the howlings very much more
startling than those of the
approaching.

Notes from Tuxtla Chiapas

A trapiche costs 350.— Can
make 16 arrobas sugar or 40 of panela
a day. Needs 8 mules, or horses.
Also 2 boys at half pay to work in
trapiche & 2 men at 8 kettles.
4 men cut & supply cane to keep

8 kettles going. ^{leaves}
Each arroba of sugar & 6 litros
molasses for making Aguardiente.

Panela gives no molasses. —
20 litros molasses gives 15 litros
Aguardiente

Moscos about Tuxtla own up to 2 or 300.
They get \$3—a month with a house
calmudes corn 1/2 almond beans
No salt. His tools & land to plant
corn. —

At Ocuilapa a torra in bean
patches for clearing is 30x50 varas

At Ocnilapa they plant
1000 Coffee trees, 3 varas apart, on
100 varas square. To clean this
needs 7 men a day, ~~at the same~~
Holes are made 12 x 12 in or 12 deep.
100 are made as a tarea in a day.
It will take 10 men a day to plant
1000 trees when holes are ready -
needs 4 to 5 cleanings a year.
